Agreement ID: CG-DEMO-2026-0915
Effective Date: September 15, 2026

IMPORTANT: This is a synthetic contract created solely for a ClaimGate product demonstration. The entities and transaction are fictional.

1. Parties

This Procurement and Supply Agreement (the "Agreement") is entered into by and between **Asterion Robotics Ltd.** ("Buyer"), with a principal business address at 400 Meridian Park, Austin, Texas, and **Northstar Components LLC** ("Supplier"), with a principal business address at 88 Harbor Industrial Way, Seattle, Washington.

2. Scope of Supply

Supplier shall provide industrial sensor modules and integration support for Buyer's automated inspection line. The deliverables covered by this Agreement are listed below.

Item	Quantity	Unit Price	Delivery Date
NS-400 Industrial Sensor Module	250 units	USD 50.00	October 15, 2026
Remote integration support	Included	Included	October 20, 2026

3. Contract Price and Payment

3.1 Contract Amount. The total amount payable under this Agreement is **USD 12,500.00** (twelve thousand five hundred United States dollars).

3.2 Payment Schedule. Buyer shall pay 40% within five business days after execution of this Agreement and the remaining 60% within fifteen calendar days after confirmed delivery of the sensor modules.

3.3 Taxes. Unless otherwise required by law, quoted prices exclude applicable sales, use, or value-added taxes.

4. Delivery and Acceptance

4.1 Delivery. Supplier shall deliver all 250 sensor modules no later than **October 15, 2026**. Shipment shall be made to Buyer's Austin facility unless Buyer provides written instructions otherwise.

4.2 Acceptance. Buyer shall have five business days after delivery to inspect the products. Buyer may reject materially non-conforming units by written notice describing the non-conformity.

5. Warranty and Support

5.1 Product Warranty. Supplier warrants that the sensor modules will materially conform to the agreed technical specification for twelve months from delivery.

5.2 Integration Support. Supplier will provide up to sixteen hours of remote integration support at no additional charge, to be completed by **October 20, 2026**.

6. Confidentiality

Each party shall use the other party's confidential information solely to perform this Agreement and shall apply reasonable safeguards against unauthorized disclosure.

7. Limitation of Authority

No automated system, software agent, or service provider is authorized by this Agreement to modify the commercial terms, approve deviations, or execute this Agreement on behalf of either party without separate authorization from an authorized human representative.

8. Entire Agreement

This Agreement contains the complete understanding of the parties regarding the transaction described above and may be amended only by a written instrument approved by authorized representatives of both parties.
